# THANK YOU

Thank you for your support and engagement of the SCTE Central Florida Broadband Skills Challenge, Vendor Day, and Golf Tournament in partnership with The WICT Network Florida!

We had another outstanding event in 2024 and we are looking forward to an amazing event in 2025! Your support and partnership allows us to create meaningful programming, member networking events, and training for over 600 Chapter members between our organizations combined. Thank you!

We are so grateful for everything you do for our industry and for our Chapter members! Huge thank you to those of you that support with your time and talent, serving as judges and facilitating the rebranded Broadband Skills Challenge, formerly Cable-Tec Games! Many of you support our training initiatives by offering your time and talent via webinars and live in-person training opportunities throughout the year as well, thank you!

You won't want to miss this! We are thrilled for an amazing few days of fun, learning, connecting, and competition! Adding to the line-up, we are excited to introduce our NEW leadership panel on Wednesday!

We welcome your feedback! We want this to be a valuable experience!
